CELEBRATING SACRAMENTO WALK OF STARS

The Sacramento Walk of Stars honors four or five of some of the greatest entertainers and artists, athletes, journalists, entrepreneurs, and scientists each year. For 2024, we are excited to announce that three stars confirmed for this year are Cornel West, an American philosopher, political activist, social critic, actor, and public intellectual; David Wineland, an American Nobel-laureate physicist at the National Institute of Standards and Technology (NIST) physics laboratory who was awarded to the 2012 Nobel Prize in Physics and Colin Hanks, actor and director and the son of Tom Hanks. We will announce additional Stars very soon.

2024 marks our fourth year of placing beautiful bronze and terrazzo stars in the heart of Sacramento's Midtown area. We plan to unveil this year's star on September 18, 2024. A celebration gala will be held on September 18 at the Memorial Auditorium.

Sacramento Walk of Stars began in 2016. The inaugural group of stars included:

- ★ LeVar Burton, actor and activist
- ★ Debbie Meyer, Olympic gold medalist
- ★ Dr. Ernie Bodai, breast cancer surgeon and advocate
- ★ Timothy B. Schmit, Eagles bassist and vocalist
- ★ Gregory Kondos, visual artist

In 2017, we honored:

- ★ Nicholas Sparks, author and screenwriter
- ★ Russ Solomon, founder of Tower Records
- ★ Billy Mills, Olympic athlete and humanitarian
- ★ Ruthie Bolton, WNBA star and Olympic athlete

In 2019, we honored:

- ★ Dusty Baker, outstanding Major League baseball player and manager
- ★ Summer Sanders, Olympic gold medalist, sports commentator and TV show host
- ★ Urijah Faber, MMA World Champion and UFC Hall of Famer
- ★ Darrell Corti, legendary food and wine expert

"I love Sacramento. When you're in Sacramento you get a better view of the whole world."

RUSS SOLOMON, TOWER RECORDS FOUNDER

HELP BUILD SACRAMENTO WALK OF STARS

Sacramento Walk of Stars is a nonprofit organization (501(c)4) founded by Scot Crocker and Lucy Eidam Crocker. It's operated by a board of directors and steering committee. The all-volunteer organization provides educational, cultural and economic benefits to residents, businesses and visitors in the region.

It is critical to the program's success to have sponsorship support from organizations and individuals. By becoming a Sacramento Walk of Stars sponsor, you join a cause to:

- ★ Celebrate Sacramento's best and brightest for their national and worldwide achievements
- ★ Spark excitement in midtown Sacramento
- ★ Boost community pride and energize public spaces
- ★ Support economic development as visitors patronize nearby restaurants, stores and businesses

CATEGORIES AND CRITERIA

Sacramento Walk of Stars pays tribute to those who have affected the nation or the world for the better while contributing to the shining light of Sacramento. In 2021, we honored Sacramento's Covid 19 Frontline and Healthcare Workers with a star. This year, we are back with Stars who have called Sacramento their hometown and have achieved national and international achievements in arts and entertainment, sports, science and technology, news and business. Stars must have:

- ★ Lived or been raised in the greater Sacramento region
- ★ National or international significance
- ★ Made a positive impact on the Sacramento region

"I'm going to tell you one thing ... I'm not going to stop until breast cancer is cured."

DR. ERNIE BODAI, SURGEON & ACTIVIST

"I have always claimed Sacramento as my hometown. Today I genuinely feel that Sacramento has, in turn, claimed me."

LEVAR BURTON, ACTOR & ACTIVIST
